Dues Increase

At the 39th International Convention held September 2016 in St. Louis, Missouri, the delegates in attendance approved the motion to increase the International Per Capita by \$1.00 per month in 2018 and 2020. For those members with “A” membership the pension contribution was increased in 2017 by \$2.00 per month and will increase again by \$1.00 in 2019.

As a result, the I.B.E.W. International Per Capita Dues has been approved for an increase of \$1.00 per month. Dues will increase from \$18.00 per month to \$19.00 per month per employee, effective January 1, 2018.

As such the new union dues structure will include:

- **2 hours per month per employee, working dues;**
- **\$19.00 per month per employee, IBEW Per Capita dues;**
- **\$1.07 per month per employee, Saskatchewan Federation of Labour affiliation dues.**

Members with “A” membership employed at SaskPower will begin having the “A” dues deducted beginning January 2018 and will no longer have to make direct payments to the local.

Please be aware, employees who are going on leave will need to continue paying their non-working dues directly to the Union Office to maintain their membership in good standing. Currently the amount owing is \$25.07 / month and a tax receipt is provided at year end.
