## **Safety Milestone Reached at Boundary Dam and Shand**

SaskPower recently celebrated two years without a lost time incident at Boundary Dam Power Station. Additionally, Shand Power Station reached three years without a lost time incident on June 2. The Business Office would like to thank all of our Members at these locations for their contributions in reaching these milestones. We recognize the time and effort put in to making safety your number one priority, especially during busy overhaul and outage periods when there is extra pressure to meet deadlines. Congratulations to all and keep up the good work!
