#### **UFCW1400 Strike Moose Jaw Coop**

Please be informed that as of midnight on Tuesday, October 2, 2018, United Food and Commercial Workers 1400 will be on the picket line at the Moose Jaw Cooperative facilities. Strike notice by the union and lockout notice by the employer have been sent to the Minister of Labour. The contract expired August 31, 2017, and after fruitless negotiations and two offer rejections, the union members will be on the picket line. The central issue is the employer's refusal to address the second-tier wage progression and instead, presented offers that only widen the gap.

We would ask that all members of the local and their families respect the picket line for the members of UFCW.
