#### UFCW1400 Strike Moose Jaw Coop

On Wednesday October 3, 2018, United Food and Commercial Workers 1400 began job action at the Moose Jaw Cooperative facilities. Strike notice by the union and lockout notice by the employer have been sent to the Minister of Labour. The contract expired August 31, 2017, and after fruitless negotiations and two offer rejections, the union members will be on the picket line. The central issue is the employer's refusal to address the second-tier wage progression and instead, presented offers that only widen the gap.

**At this time we would remind all IBEW Local 2067 members to honour the picket line of UFCW 1400 and utilize facilities other than those of Moose Jaw Cooperative.**

In solidarity
