UFCW1400 Strike Saskatoon Coop

Please be informed that as of midnight on Thursday, November 1st 2018, United Food and Commercial Workers 1400 may be on the picket line at Saskatoon Cooperative facilities. Strike notice by the union has been sent to the Minister of Labour. The main issue for the workers is the employer's refusal to bargain the outstanding issues, including the Saskatoon Co-op's demand to introduce a second-tier wage grid, which would see the Co-op lowering the wages of new employees.

We would ask that all members of the Local and their families respect the picket line for the members of UFCW.
