Union Meetings

Brothers and Sisters, with the Covid -19 Pandemic upon us we must be vigilant in protecting our families, friends, neighbors, coworkers and ourselves. As you all are aware, most meetings, training, and social gatherings have been postponed or cancelled. The IBEW Constitution demands Local Executives will meet monthly, so we held our March Executive meeting via conference call. While this is not the most ideal situation, we were able to get through our agenda with the best interests of the Members in mind. Minutes will be forwarded to Unit Chairs.

I have obtained permission from the IBEW International Office to not hold a March 2020 Joint Board meeting. The Chairs have been given permission to not hold a regular Unit meeting in March or April. At each Executive board meeting the Pandemic will be assessed for the next month meetings.

Regular bills and business still will have to be dealt with. Once it is determined that it is safe for you to meet and attend your Unit meetings, all motions will be compiled and presented to members for approval. The Executive endeavors to make this as painless as possible.

These are trying times. The Executive thanks each and every one of you for your patience, and efforts in staying safe.

In Solidarity,

Randy Moeller
