COVID- 19

The ongoing impact of the Covid – 19 global pandemic is something none of us has seen before. It is extremely important that we keep ourselves, our family, and our Brother and Sisters at work safe. IBEW 2067 is in discussion with our Member employers, and working with employers and the IBEW International to ensure that there is a practical plan in place to address Member health and safety. These plans will be modified as need, severity, and change come. Educating yourself is the best way to protect yourself. Please look to credible sources for information.

- SaskPower EIN
- Provincial

To Combat the spread of the Covid – 19 virus please practice “social distancing “, wash hands, cover your cough with a tissue or elbow, keep a clean work space, if sick stay home. If we follow these small measures we can slow the spread of Covid – 19. Please look after yourself. Please look after your friends and family. Please look after your Brothers and Sisters at work.

We will get through this challenge together, and be stronger for it.

In Solidarity,
IBEW 2067 Business Office.

If you are able, please remember the elderly, and those in need. A donation to a food bank at this particular time is sorely needed.
