## Just Transition Coal

I am pleased to announce that IBEW Local 2067 and UMWA Local 7606 have formed a partnership and were successful in securing funding from the Government of Canada Western Economic & Diversification program. The Just Transition Coal program will assist families in Estevan and Coronach areas, engaged in the coal/power industry, to successfully transition to employment in a low-carbon, post-coal future. The funding will be used in retaining a project coordinator, office space, equipment and supplies. The coordinators primary responsibilities will be to secure additional funding for retraining, job counselling, and support to all members affected by the phasing out of coal by the year 2030. Brother Jody Dukart and Brother Wm Campbell will serve as directors, and will be assisted by Brothers Ashley Johnson, Randy Seeman from UMWA Local 7606 and Brother John Donohoe from IBEW Local 2067 on the advisory committee.

We are currently looking for 2 members from the Coronach area, one from Poplar River Power Station, the other from Westmoreland Coal to join the advisory committee. Please send in a short resume by the end of this week if you are interested to [IBEW@IBEW2067.com](mailto:IBEW@IBEW2067.com).

Further contact information will be coming out soon. We look forward to working with UMWA on this project.
