### Unit Meeting Cancellations

Dear Brothers and Sisters of IBEW Local 2067,

Given the recent rise of COVID-19 and several of the variants the decision was made through consultation and approval of the International Brotherhood of Electrical Workers IVP 1<sup>st</sup> District, that all scheduled meetings for the remainder of April and May will be suspended. We are hopeful with the vaccine roll outs taking place that we will be in a better position for Jun to once again resume our monthly meetings as well as our Joint Executive Board Meetings which have not taken place as a result of gathering restrictions. All unit Chairs were sent notification informing them that meetings are to be canceled until approval has been given to resume them. Should you have any questions on ongoing issues within the local they can be addressed through the Business Office, Stewards, Executive and Joint Executive if required.

In Solidarity  
Jason Tibbs  
President IBEW
