#### Convention Intervention: A Rally to Save Saskatchewan

The Saskatchewan Federation of Labour has organized a rally in Saskatoon this Saturday, November 6<sup>th</sup>, 2021 to take place at the Sask Party's Convention. Please see details below:

**Saturday, November 6, 2021**

**Noon**

**TCU Place- Front Entrance- Saskatoon**

"Hello everyone,

Our province is at a breaking point.

Record COVID-19 case numbers. Record hospitalizations. The lowest vaccination rates in the country. Military Assistance brought in to aid a crumbling health care system. And no end in sight.

It didn't have to be this way. Health experts warned Premier Moe and the Sask. Party that their plans to drop all health restrictions was reckless and irresponsible. Instead, Moe decided to put politics ahead of people and dropped them anyway. He gambled with people's lives, and he lost.

It's time for the Premier and the Sask. Party to take some accountability for their actions. It's time for them to apologize to Saskatchewan for their mistakes. And it's time to us, as working people, to intervene, and demand that our government do what's necessary to keep us safe.

**Join us for a demonstration at the Sask. Party's Convention on Saturday, November 6 at Noon at TCU Place in Saskatoon.** This convention intervention is a chance for us to tell the Sask. Party how their decisions have had consequences on all our lives, and demand action and accountability.

We need as many people out as possible. **Please spread information about this rally far and wide**, and encourage your members to attend. Bring signs, noisemakers, and your voice!

**MASKS ARE MANDATORY!**

I hope to see you there. Please reach out if you have any questions, or would like to help out!

Stay safe,  
Lori
