### Travel Time / Heavy Maintenance Grievance

Dear Brothers and Sisters,

After a successful arbitration followed by the process of negotiating accurate payouts for membership, I.B.E.W. Local 2067 is pleased to announce grievance 19-SPC-2018 (travel time between Coronach and PRPS) has come to a favorable resolve for our affected members.

Both parties signed the minutes of settlement on April 15, 2024. Members of the Heavy Maintenance crew have been made whole for their previously denied travel time. This settlement includes members of the Heavy Maintenance team who retired or resigned from the Company.

I.B.E.W. Local 2067 would like to thank all HM crew members, past and present, for their patience as your Business Office worked through the lengthy process of making membership whole. The total amount recovered for affected members was approximately \$135,000.00.

If you have any questions about this, or any other grievance, please contact any member of the Business Office.

In solidarity,

I.B.E.W. Local 2067 Business Office & Executive
