SaskPower Bargaining Update

Brothers and Sisters of Local 2067,

First of all, we would like to thank each and every one of you for your patience over the past months as you wait for an MOA (Memorandum of Agreement) to vote on. Your I.B.E.W. Local 2067 Bargaining Committee is pleased to announce that we have reached a tentative agreement with SaskPower. In the near future you will receive a copy of the MOA. Feel free to reach out to any member of the I.B.E.W. Local 2067 Bargaining Committee with any questions or concerns you may have.

The Business office is in the process of finalizing dates and times to present the MOA at special meetings in each Unit. These dates and times will be communicated through Power Notes when complete. In an effort to modernize the ratification process, the Business Office is going to implement an electronic format for the voting process. This will involve a link sent to your email once the meetings are complete.

The I.B.E.W. Local 2067 Bargaining Committee encourages all members to take the time to read the MOA and discuss any issues or articles that may affect you with your coworkers, and above all, take the time to VOTE!!!

In solidarity,

I.B.E.W. Local 2067 Business Office & Bargaining Committee
